Flashback Weekend 2002-2022 – A Look Back

Join us as we celebrate Flashback Weekend Chicago Horror Convention's 20th Anniversary! 20 years ago we created the first annual Chicago Horror Convention run by residents of Chicago. There was no other annual Horror convention or Horror Film Festival in Chicago 20 years ago. There was no market for a Horror Convention in Chicago.

But having grown up with Famous Monsters of Filmland, Aurora Monster Model kits, Creature Features, Horror Movies at Drive-Ins, and Svengoolie (first Jerry G. Bishop, then Rich Koz) we had a love of Horror, a goal, and a mission. We wanted a place to celebrate Horror in Chicago. We decided that if we wanted a Horror Event - a safe place for Horror in Chicago, that we would have to create one.

With your help and support, we did just that.

As lovers of Horror Films, we wanted to pay tribute not only to those films but to those who created them. So, we created a very specific format - a "Horror Convention by Day, A Horror Film Festival by Night".

- On Aug. 2-4, 2002 - our very first Convention head-lined by Bruce Campbell (Thank you Bruce)!**
- 35mm film screening - the Midwest Premiere of "BUBBA HO-TEP" (Thank you Don Coscarelli)!**

Throughout the years, our Evening Movie events have been as big and ambitious as our afternoon convention. Our evening events have included:

- 35mm classic Horror movies and premieres at the Pickwick Theatre**
- 35mm projection Outdoor Screenings in the hotel parking lot**
- Film Festivals including premieres, 35mm archival print screenings, and 4K restorations at the Muvico Theatres**
- Outdoor Movies in the hotel courtyard**
- and now Evening Movies at the Hyatt Regency, followed by elegant after-parties in luxurious surroundings**

Weekend saves a Drive-In Theatre!

Flashback Weekend believes that a horror convention should benefit the community, the legacy of horror, and the film arts (not the checking account of the promoter). To achieve this, 15 years ago Flashback Weekend purchased and saved an Authentic Drive-In Theatre, the Midway Drive-In, located in Dixon, IL.

All net proceeds from Flashback Weekend go to the restoration and operation of the Midway Drive-In, where we screen Horror Films throughout the year (both first-run and horror classics) as well as first-run Hollywood blockbusters throughout the summer.

Please join us at the Midway Drive-In to see the work that Flashback Weekend accomplishes year-round to support the legacy of horror and the film industry. Our next Dusk to Dawn Horrorfest is Sat. Sept. 24, 2022. Visit www.themidwaydrivein.net for updates.

Flashback Weekend, Sinister Visions, and Zombie Army Productions

Flashback Weekend provided a place for the Chicago Horror Community to unite and grow. Flashback itself met and joined forces with leaders in the Horror Community.

In 2005, Flashback Weekend joined forces with renowned Horror Artist Chad Savage of Sinister Visions. Chad is the artistic visionary of Flashback providing all our beautiful graphic arts and web design; and serves as our Internet Marketing Director, and key collaborative partner. Sinister Visions sponsors and produces Flashback Weekend events including the Sinister Visions Costume Contest hosted by Svengoolie.

Other key collaborative partners include John LaFlamboy and Tresa Walker of Zombie Army Productions, a team that produces the top haunted attractions in the country (including HellsGate), films, and much more!

Our first 20 years!

Flashback Weekend is Chicago's largest and longest running horror convention, and we are one of the longest running Horror Conventions in the country! We are known for our major celebrity guests, innovative programming, and spectacular evening events. We are a Horror

convention with a deeper initiative – our philanthropic efforts are dedicated to the preservation of the American Drive-In, support of the film industry, and 35mm preservation.

TO BOLDLY GO WHERE NO HORROR CONVENTION HAS GONE BEFORE

We are very grateful for your support, which allowed us to create an annual Horror Convention where one did not exist. You helped us to create an original and new format for a Horror Convention. Our move to the stellar Hyatt Regency O'Hare Chicago is our newest innovation in keeping with our philosophy of guest service, innovation, and originality.

And the best part about the Hyatt is that no Horror Convention has EVER been held there before Flashback. Innovation and originality are vital to Flashback Weekend. We will not follow in someone's footsteps. With your help, we will forge a new trail and create a whole new world at the Hyatt for our guests, vendors, and celebrities. To boldly go where no Horror Convention has gone before indeed!

We thank each and every one of you for your help and support during the last 20 years. We look forward to the next 20 years!

Mia, Mike, Michelle, Melanie

ROBERT ENGLUND APPEARANCE DETAILS

The Legendary Robert Englund (Freddy Krueger) will be appearing all three days! Following is information on his Celeb-Photo-Ops, Q & A, his signings, and Autograph Line-Up number distribution:

1 – Celeb Photo-Ops - This is the best way to document your memory with Robert Englund! If you purchase a Celeb Photo-Op with Robert Englund, you will receive a professional 8x10 of you and Robert Englund in front of the ELM STREET House. Group photos of Robert with other ELM STREET

cast members are also available. Photo-Ops may also be purchased in advance or at the convention at the Celeb Photo-Ops table (cash only), based on availability. Robert will wear the glove for all photo-ops. This 1428 ELM STREET House is an AMAZING set!

2 – Robert Englund Q & A – Robert Englund will be Live on Stage for his Q & A Friday Aug. 5. Convention remarks start at 7:45PM, followed by his Q & A. Robert Englund is a wonderful story-teller, and his Q & A's are legendary. While seating is limited to capacity (General seating is first come-first seated), we have a very large Q & A room with hundreds of seats!

3 – Robert Englund Autographs – Following are a few frequently asked questions about Robert Englund autograph policies:

Q. Will I be able to purchase Robert Englund's autograph if I purchase a Weekend or a Single Day pass?

A. Some general attendees (weekend or single day passes) will have the opportunity to get in line for Robert Englund's autograph on a first come-first serve basis each day. At some point, the line for weekend and single day pass holders to get Robert's autograph will be capped. Please note that if a celebrity guest has long autograph lines, it may not be possible for the celebrity to sign autographs for every fan who wants to meet them. Convention ticket refunds will not be given in this case. We ask that everyone attend for the entire convention experience, not just one celebrity guest.

Q. Is there a limit on the number of autographs I may receive from Robert?

A. There is a limit of two autographs per visit to his autograph table.

Q. May I take a photo with Robert Englund at his table?

A. Sorry, no. Please note that table photos with Robert Englund are not available. Celeb Photo-Ops are the only way to have a photo taken with Robert. Photo-Ops may be purchased in advance or at the convention at the Celeb Photo-Ops table (cash only), based on availability.

4 – Autograph Line-up number distribution times:

- **Fri. at 2:50pm**
- **Sat. at 9:50am**
- **Sun. at 10:50am.**

These are the times each day that Robert Englund Autograph line-up numbers will be distributed to Weekend and Single Day ticket holders. We

will distribute the line-up tickets BEFORE we let the line for the Weekend and single day ticket holders into the convention. We will distribute the line-up numbers to the Weekend and Single Day ticket holders waiting in line for entrance into the vendor room (check our schedule for event hours). We will tell the line-up number holders the time they can come back to get in the autograph line. We will distribute a set number of line-up tickets each day. Not everyone waiting in line to get into the convention will receive a line-up number. A few important notes:

- One (1) line-up ticket per family (we will not distribute numbers to young children or babies).
- Line-up ticket does not guarantee an autograph - it only guarantees a place in line.
- Line up ticket does not include price of an autograph. Autographs must be purchased separately at the celebrity's table (cash only).
- This ticket has no cash value.

Q. How do I get a photo with Robert Englund?

A. Purchase a Celeb Photo-Op with Robert Englund. This is a professional 8x10 of you and Robert Englund in front of the ELM STREET House. Professional photo-ops with Robert Englund (and our other celebrity guests) are now on sale. See the link at www.flashbackweekend.com. Photo-Ops may also be purchased at the convention at the Celeb Photo-Ops table (cash only), based on availability.
